Satellite Symposium ECR 2010

CT contrast media optimization for patient benefit

Chairman: Dr. Martin Maurer
(Berlin, Germany)

CME accredited symposium

Invitation
- Saturday, March 6th, 2010
- 12:30 - 13:30
- Room B
  Austria Center Vienna

Guerbet | Contrast for Life
CT contrast media optimization for patient benefit
Chairman: Dr. Martin Maurer (Berlin, Germany)

12:30 📌 Introduction
by the Chairman

12:30 - 12:45 🌻 Main parameters involved in CIN: is viscosity the main one?
Dr. Laurent Juillard (Lyon, France)

12:45 – 13:00 🌻 Comparative study of low osmolar Contrast Media in paediatric renal tolerance
Prof. Dr. Marcus Hörmann (Vienna, Austria)

13:00 – 13:15 🌻 XENETIX®: excellent tolerance confirmed by 160,000 additional patients
Dr. Martin Maurer

13:15 – 13:30 🌻 Optimized contrast media management in cardiac CT
Dr. Jean François Paul (Le Plessis Robinson, France)

📌 Questions and conclusion
by the Chairman

Lunch boxes will be provided to attendees
